Lycahealth Orpington is the much awaited second clinic to open as part of the LycaHealth group. It has been purpose built to offer clients multi-specialty, consultative and diagnostic healthcare. The clinic has the very best in diagnostic equipment (3 Tesla MRI, Low-dose 128 Slice CT, Digital X-ray and High-end Ultrasound) with access to some of the very best specialist clinicians in the UK today. Which include but not limited to; **Cardiology, Chest medicine, ENT, Gynaecology, Neurosurgery and Neurology, Orthopaedics, Upper and Lower GI surgery, Gastroenterology, Rheumatology etc.** We hope you can join us to enjoy our speakers, and, if you haven't done so already, tour the clinic. **We would be happy for you to share this invite with GP colleagues in your practice.** Spaces are limited so we ask you to please **RSVP to:** [kathryn.durnford@lycahealth.com](mailto:kathryn.durnford@lycahealth.com) or by phoning **01689 490 111** - We hope you can join us, and look forward to meeting you.

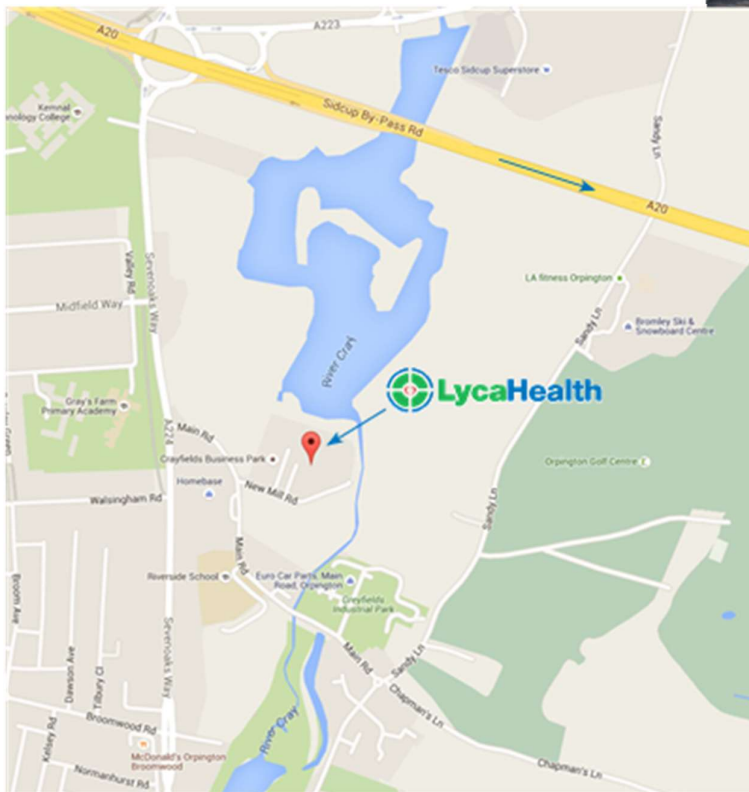

Kind regards,

Dr Manpreet Gulati CEO LycaHealth
